A LETTER FROM BRIAN ALNES

When a good time is had by all, and everyone goes home tired is the greatest compliment we can be given. (Click hear for Brian's letter)

UPDATES FROM PHIL TOLBERT

UPDATES ON SOLID ROCK

Grant & Teirrah Wennerberg Co-Directors

solidrock@solidrockmn.org

<https://www.solidrockmn.org/>

The Solid Rock school year has officially started!!! We have ten students enrolled; five men, five women. Orientation began on August 23rd and students had the opportunity to meet one another, Lake Beauty staff, and their professors.

Due to forest fires in northern Minnesota, we had to reschedule the Solid Rock Leadership Experience (SRLE) to the boundary waters for October. During orientation, the students embarked on a camping trip instead. During their trip they learned about leadership and had the opportunity to build community with one another.

With the SRLE getting rescheduled, we revamped the schedule to start classes a week early. Classes begin on August 31st. We are so thankful to work with wonderful faculty that are flexible and accommodating to the changes we encounter. This year, we have all returning faculty and they are excited to

work with the students.

I want to thank each and everyone of you for your continuous prayers and encouragement. The students have an exciting and transformative year in store.

Maintenance: Peter Alnes, Properties Manager

God does great work through our volunteers from SOWER Ministry. August Sowers continued with the upgrade of the A-frame, helped with some office projects, finished painting the eaves of the Dining Hall, completed the retaining wall at the beach and more!

Thank you to

Brad and Cindy Smith, Jim and Joyce Wait and Group Leaders Jim and Marsha Lyon.

SOWER - [Servants on Wheels Ever Ready](#) is a Christian couples RV work ministry which provides volunteer help to Christian ministries
